Who are we? – We're a children's charity who identify and treat 'at risk' children affected by **Otitis media**. (Middle ear disease) We include **education** and **prevention** plans for families and communities

Who do we work with? We work with local elders and health providers in your community

Where? We carefully select schools in WA according to guidelines. We go where we are welcome and needed

How much does it cost? Our service is **FREE**, even surgery if needed.

Why attend the Earbus? We bring our highly trained team of Specialists, GP's, Audiologists, Nurses & Health Workers

Our treatment pathway? **Surgery waitlist** may be shorter in some areas (3 – 4 mths), working at the nearest regional hospital where we can.

Research? We sometimes use data for research and funding. Your child is never identified in any way.

Cultural Identity? Is completely optional, This will help us with funding to continue services. Thank you
