POINT WALTER RECREATION CENTRE

**“It wasn’t what I expected,
it was better.”**

Chris, Sacred Heart College

RYPEN is one of Rotary’s most successful youth programs.

We aim to provide Year 10 students who are community minded and have leadership potential with experiences that will assist them to form their own values and moral standards and to broaden their cultural, social and academic horizons.

We work with a team of experienced leaders and volunteers to provide a safe and supportive environment for students to develop their problem solving skills and self esteem.

To apply for this amazing opportunity, please contact your Principal, Year 10 Coordinator or local Rotary club.
