

Student Dress Code

Port School does not have a uniform, although it does have a dress code that students must follow. Students must meet the dress code both before and after sporting activities.

The School produces Port School logoed polo shirts and t-shirts, which can be ordered at the student reception or the main reception. These are available at the subsidised price of \$15. Please contact the main office if you require further information or wish to place an order.

If a student refuses to go to Student Services, he/she will be sent home to get changed.

Repeat breaches of the Code will result in the student being sent home on each occasion, and contact will be made with the parent/carer.

Continual non-compliance will be dealt with as per the Behaviour Management Policy and Procedure.
